Halloween Superstitions

- If someone sees a spider on All Hallows Eve, it can be the soul of a deceased family member
- If you put an apple or a silver sixpence and a sprig of rosemary under your pillow on Halloween night you will dream of your future husband.
- If you put your clothes on inside out and walked backwards on the midnight of Halloween, you'll see a witch that rides across the sky.

October's Party

*October gave a party;
The leaves by hundreds came-
The Chestnuts, Oaks, and Maples,
And leaves of every name.
The sunshine spread a carpet,
And everything was grand, ,
Miss weather led the dancing,
Professor wind the band.*
